Expert Talk on "Cyber Crime Awareness"

Organizer's Name: Department of Computer Science & Engineering (CSE)
Coordinator: Er. Pooja Verma (Assistant Professor)
Date: 27-02-2025
Venue: Seminar Hall, F Block

Introduction of the Event:

The awareness session on Cyber Crime aimed to educate students about the growing threats in the digital world and the importance of maintaining online safety. The session addressed various aspects of cybercrime, including identity theft, phishing, hacking, and strategies to safeguard personal information. The expert speaker, Mr. Rajeev Malhotra, an experienced cybersecurity specialist, shared practical insights and preventive measures to help students become more aware and cautious while navigating the online space.

Expert Session by Dr. Kawaljeet Singh (Director of Punjabi University) on Cyber Crime

Participants: A total of 60+ students actively participated in the session, showing keen interest in understanding the nuances of cyber-security.

Inauguration Ceremony:

The session commenced with a warm welcome by the Head of the Department (HOD), Er. Jarnail Singh, who expressed her gratitude to **Dr. Kawaljeet Singh (Director of Punjabi University)** for his valuable time and expertise. The HOD presented a bouquet to the guest speaker as a token of appreciation.

Students attended the session in seminar hall (F-block)

Highlights of the Event:

1. **Understanding Cyber Crime:**
   - Definition and types of cybercrime: hacking, phishing, ransomware.
   - Real-life examples and consequences of cyber-attacks.
2. **Cybersecurity Measures:**
   - Best practices for securing personal and sensitive information.
   - Importance of strong passwords, multi-factor authentication, and data encryption.
3. **Safe Online Practices:**
   - Recognizing fake emails, websites, and scams.
   - Guidelines for safe social media usage and maintaining digital privacy.
4. **Student Engagement:**
   - Interactive Q&A session where students shared their doubts and concerns.
   - Real-world case studies discussed to enhance understanding.

Valedictory Ceremony:

The session concluded with a vote of thanks by Er. Jarnail Singh expressing sincere gratitude to Dr. Kawaljeet Singh for sharing his expertise. As a gesture of appreciation, a memento was presented to the speaker.

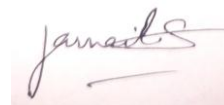

Glimpses of Valedictory Ceremony

Key Outcomes:

The session successfully increased awareness about the risks associated with cybercrime and equipped students with practical knowledge to protect themselves online. Participants gained valuable insights into recognizing and responding to cyber threats, preparing them for a safer digital experience. The event also encouraged critical thinking and awareness about responsible online behaviour.
